Day 1

Read 2 Chronicles 1:7,10-12

Week | 02

What is the most valuable thing in the world? Gold or diamonds? Neither—it's wisdom! God blesses wisdom with things of greater value than riches. You "get" wisdom through KNOWING God's Word and putting it into practice with WISE CHOICES that bless you and honor God.

**Put your knowledge of the wise choice to use:** If your dad agrees to pay you \$10 to wash the car and then a rain shower rinses the car off, what do you do?

- say and do nothing
- wash the car anyway
- tell Dad the rain cleaned the car

252 BASICS® THANK God for teaching you wisdom.

Answer: B or C – Following through and honesty are wise choices

Day 2

Read Proverbs 3:5 & 1 Timothy 6:20

Week | 02

Since people don't know everything, what they "know" may be wrong! People once "knew" the world was flat (it's round). They once "knew" the sun revolved around the Earth (it's the other way around). God knows everything, so it's wise to choose what God says over what people "know"!

**Circle what God says. Cross out what the world says.**

- Get back at someone
- Hate
- Do what everyone else is doing
- Forgive
- Love
- Make wise choices

252 BASICS® ASK God to help you choose wisely.

Day 4

Read Psalm 119:11

Week | 02

God wants to bless your wise choices and protect you from being misled, but the best reason for learning from God's Word is so you won't disobey Him. It hurts God when we disrespect or ignore Him. Show your love for God by obeying Him.

- God gave us 10 Commandments to help us know how to live. What wrong things are you tempted to do? What right things do you forget to do? Write your personal "Top 10" and keep it handy to help you obey God's Word.

| 1. | 6.  |
| 2. | 7.  |
| 3. | 8.  |
| 4. | 9.  |
| 5. | 10. |

KNOW your obedience pleases God.

Day 3

Read Romans 12:2

Week | 02

Your brain can get full of junk (stuff people think is knowledge) from TV, the Internet, music, and even friends. The more full of junk it gets, the less light you have to notice the "garbage." Reading God's Word shines a light on the mess and helps you see what trash needs to be tossed out!

**Think about the bad attitudes, habits, and ideas you've collected from things that influence you. Write them in the trashcan and ask God to help you "take out the garbage."**
