Giving Is Christian

Tithing Story From An 89 Year Old Widow

Women play a significant role in giving to God's work.

A friend e-mailed about his 89-year-old mother. She had called him on the phone to confess she hadn't been tithing because she was on a fixed income--but she'd decided that she was going to start faithfully tithing again.

Within a few days, she got a call from her pastor asking her to go on a church prayer retreat with all the expenses paid by the church. The next day, she went to her bank to get some money and the bank teller told her, "Don't withdraw any money, since your 90th birthday is coming up, our bank is going to give you a present of \$100 in cash!" The following day, she got a letter from a community group to let her know she had been chosen to receive a \$500 grant to help pay her utility bills.

After she began tithing again, she was amazed at the unexpected provisions she received from the LORD.
